**As we appreciate not all regular customers can make our Easter special weekend so we will have our dry goods special offers available to mailing list customers from the weekend of 2<sup>nd</sup> April up to and including Easter. Growing on competition fish will only be available to collect at Easter to allow us to equalise temperatures correctly.**

**NEW SEASON KOI STOCKS**

With the ongoing difficulties with flights from Japan potentially fish supplies could prove difficult in the near future. However we imported shipments from the Autumn Japan Harvest and also in January and February. These fish are now fully quarantined and will be on display in our retail area for the first time at Easter. As well as representing value for money being imported before freight costs nearly doubled they are also of a high quality. New fish are from some of the following breeders :- Marusei, Takahashi, Shinoda, Otsuka, Oofuchi, Miyatora, Marusaka and Matsunosuke. They range in price from £15 to £3000.

**GROWING ON COMPETITION KOI**

All koi from our October growing on competition will have been acclimatised and be ready for collection. The photographs of the winning fish for growth and most improved fish will be displayed with the winners prizes available for collection. Photographs of all other competition fish also be displayed with there increase in growth shown. Please bring your copy photograph of your fish with you when making your collection.

**EASTER BBQ.**

We will be having our normal BBQ this year with Mark cooking for you.

**POND CONSTRUCTION**

We are now taking bookings for pond construction projects for 2023. See details of recently completed ponds on our web site or on facebook.

**FREE RAFFLE.**

We will be running our customary free raffle with the prize being a £500 voucher for koi of the winners choice.

If you have receive this mailing in error we do apologise or if you no longer wish to be on our mailing list please contact us on our email [avenuefisheries@hotmail.com](mailto:avenuefisheries@hotmail.com)
